Quad Chart Template for Rapid Technology Transition (RTT) Proposals

Technology Insertion Program for Savings (TIPS) | **Proposed by: Organization / Code**

OPERATIONAL NEED

Objective: Clear, concise (1-2 line) description of the goal of the effort (Arial 10 pt), (spell out all acronyms on slide once)

Value to Naval Warfighter:
- Max of three 1-line bullets on capability
- The answer to "so what", I.e. cost savings, improves mission
- (All above Arial 10 pt)

Gap or Science & Technology Objective (STO): # or (Arial 10pt)

Impact if Not Addressed:
- Max of three 1-line bullets in non "engineering" speak
- Based on solid evidence, I.e. fleet operators
- Other sources/leveraging of Funding? (All above Arial 10 pt)

Picture or Graphic Here:
that illustrates technology or concept to a **non-expert**
Resolution <250 KB

PROPOSED SOLUTION

The Technology:
- Max of three 1-line bullets in non "engineering" speak
- Other services?, DARPA?, being leveraged?
- FORCEnet Compliance Cat? (all above in Arial 10pt)

Similar/Related Projects:
- Max of two 1-line bullets
- All above Arial 10pt

TRL: Current: __, Projected at end (FYXX) __ (Arial 10pt)

Major goals/Schedule by Fiscal year:
- Max of three 1-line bullets (Arial 10 pt)
- Delivery of end product on…, LMUAs?
- Residuals? Transitions to XX program in FYXX.

BUSINESS CASE

Key Metrics:
- Max of three 1-line bullets
-
- Arial 12 pt

Proposed Funding ($M): (all Arial 10pt)
FY14: $0.000 FY15: $0.000 Total: $0.000

Partners:
- Has been socialized with the following service & commands
- Service and command endorsements from…(Arial 10pt)

Transition Sponsor: i.e. PMA 007…(Arial 10pt)

POC Contact Info: Dr. Wilbur Wright, (123) 123-1234

CLASSIFICATION

Quad Chart Template for Rapid Technology Transition (RTT) Proposals

Technology Insertion Program for Savings (TIPS) | **Proposed by: Organization / Code**

TECHNICAL AND BUSINESS READINESS

- Max of five 1-line bullets on ability to develop and produce
- Opportunity to provide additional details to those on quad on page one
- Additional fidelity to tech and business readiness
- (All above Arial 10 pt)

TRANSITION SUMMARY

- Max of five 1-line bullets on transition readiness
- Opportunity to provide additional details to those on quad
- Describe the expected Seminal Transition Event
- Focused on Transition
- (All above Arial 10 pt)

TECHNOLOGY TRANSITION PROGRAMMATICS

Source	FY14	FY15	FY16	FY17	FY18	FY19	FY20	FY21	Total
